

**Living  
in the Shadow  
of Babel**

# **The way of Babel**

## **The way of the many**

– false sense of security

## **The way of status**

– false sense of significance

# **The way of Abraham**

A man with a beard and blue eyes, wearing a red hooded robe, holds a wooden staff vertically. He is in a desert landscape with mountains in the background. Another person is visible in the distance.

**The way of the foreigner**

– true security

**The way of obedience**

– true significance
